

# Adopt an Organic Tomato Plant!

Please send completed form with a check payable to Fresh Off the Vine, LLC to:  
6095 14th Avenue, Hanford, CA 93230.

I would like to contribute \$100 to be the "Proud Parent" of an organic tomato plant and receive the following unique benefits:

- Four (4) pounds of fresh organic tomatoes delivered to my door weekly for two (2) months! (Kings County residents only; please contact us if you live outside of Kings County and alternate arrangements can be made).
- A certificate of adoption with information about my youthful plant, including his or her name that is chosen by me.
- My name and the name of my plant displayed next to the adoptee for an entire growing season. Visitors, including agri-tourists and elementary schools, will learn of my commitment to supporting organic farming. The display may also contain a personal message that can be shared with visitors.
- A tour of Fresh Off the Vine's organic greenhouse by appointment.
